VILES & MORINS - CULINARY DELIGHTS AND TRADITIONS

We walk through green meadows and forests to the famous Viles (hamlets) Seres and Miscí. Visiting the Valley of the Mills we discover how our ancestors grinded the wheat and in the hamlet of Miscí we discover the last cableway system of South Tyrol. Then we visit the private museum of the Oriana Farm, where we discover how people used to live and work in the mountains many years ago. After a sweet taste of typical ladin cuisine we set off on the way back passing near the chapel and the oven for the production of lime. Through the larch wood we return to the starting point.
